High Security Center
P.O. Box 8200
Cranston, RI 02920

Dear Mr. Cerrullo:

I am writing in response to your letters, dated 4/21/15 and 5/5/15, regarding your housing assignment.

A member of my staff contacted Warden Matthew Kettle who reports that you remained in the rear hospital area because there were no available cells in a housing module that meets your classification status. However, on 5/6/15 you were moved to A-mod where you will now have access to more of your belongings.

For your information and future reference, I am enclosing a copy of Assistant Director James Weeden's memorandum, dated 10/17/14, to all inmates regarding using the existing chain of command to resolve inmate life and/or operational issues.

Sincerely,

A handwritten signature in black ink that reads "A. T. Wall".
